corresponding PCT application. Each of the three (3) references was cited in Category A, indicating that the references are not considered to be of particular relevance to the claims, but merely defined the general state of the art.

The International Preliminary Examination Report, issued in connection with the corresponding PCT application, concluded that original Claims 1 - 11 of the PCT application are patentable over each of the above identified references cited in the International Search Report.

The claims of the present United States National Phase correspond to the original PCT claims.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read 'Mark P. Stone', written in dark ink.
